

**Visionary Solutions, Inc.**

## **Demo Gear Program**

---

**2/13/2008  
Version 1.0.0**

For demonstration purposes, authorized Resellers of Visionary Solutions, Inc. are entitled to purchase limited quantities of Visionary Solutions, Inc. manufactured hardware at 45% off of list price. Equipment purchased at this special discount level should be kept by the reseller for a minimum of 120 days before being resold. Equipment purchased at this special discount level may be slightly used (for other demos and evaluations) but will be fully re-tested prior to shipment and will be cosmetically, and in all other ways, in excellent condition. Up to one unit of each Visionary Solutions, Inc., model may be bought under this program each calendar year. However, Visionary Solutions, Inc. reserves the right to rescind this discount offer for any reason. Reseller's may use this special demo pricing along with our 30 day evaluation program. This program is intended to increase the overall number of demonstrations of Visionary Solutions, Inc. equipment to the Reseller's customers. Visionary Solutions, Inc.
